#### Contact details

Address: Celovška cesta 10  
 1000 Ljubljana  
 Slovenija

Contact Person: Mojca Mustermann

Phone: +386 1 225 21 00  
 +386 1 225 21 01

Fax: +386 1 225 99 99

Email: [mm@space.qaa](mailto:mm@space.qaa)

#### Information on the agency's work

SPACE was founded in 1992 as a regional agency for quality assurance in Central Europe. After initially operating in Austria, Czech Republic and Slovenia SPACE has since widened its activities to numerous countries.

Agency operates in\*\*: Slovenia; Slovakia; Switzerland; Liechtenstein; Hungary; Czech Republic; Croatia; Bosnia and Herzegovina; Austria; Germany

Specialisation: SPACE is specialised on higher education programmes in the **sector of aeronautics**.

Types/Methods of quality assurance used: SPACE normally provides accreditation (based on self-evaluation and peer review) at the level of study programmes. For departments or institutions that already had at least one programme accredited by SPACE it also provides institutional accreditation.

Review reports: [www.space.qaa/review/programme/reports.html](http://www.space.qaa/review/programme/reports.html)

ENQA membership: ENQA full member since May 2008

Report(s): [External\\_Review\\_SPACE\\_May2009.txt](#)

\* This is the country which the agency has its **registered address** in. Information on the formal status of the agency in the country's education system as well as on the formal impact of the agency's decisions, if any, should be obtained from the competent national authorities.

\*\* This is a list of countries provided by the agency for informational purposes. **It does not imply any official recognition of the agency's quality assurance results or decisions by the competent authorities in those countries, for whatever purpose.**

EQAR requests from agencies to provide this information in a bona fide manner to make the register most helpful for users. If you suspect that any country is listed herein with an abusive motivation, please report this to the EQAR Secretariat.
